National Chi Nan University Entrepreneur Incubator
Settled manufacturers Affidavit

Affiant_____(hereinafter referred to as the Settled manufacturers) intends to settle in the Entrepreneur Incubator of National Chi Nan University, and hereby solemnly declares and concludes as follows:

1. The technology used by the Settled manufacturers and the products produced are the results of independent development by the authors or others or obtained in accordance with the law through legal means. There is no plagiarism or any infringement of other people's intellectual property rights or other legitimate rights and interests.

2. The trademarks and other logos used and to be used by the Settled manufacturers in the future are all designed and created by the Settled manufacturers themselves, and are registered in accordance with the law. There is no counterfeiting or any infringement of other people's trademark rights or other legitimate rights and interests.

3. The business methods, personnel appointment, product marketing and production technology research and development of the stationed manufacturers will all be in accordance with the provisions of various relevant laws, and any unfair or illegal means or unfair competition will never be used to obtain profits.

4. Affiant, etc. or the companies stationed there violate any of the conditions listed in the first three items, resulting in any litigation with others, the signatories, etc. or the companies stationed there shall be solely responsible for it.

5. Affiant or the manufacturer who settled in the company is subject to a court judgment due to violation of any of the circumstances listed in 1 to 3, Affiant or the company who settled in the company is willing to take all legal responsibilities and abide by the court's order. Upon notification by the referee or National Chi Nan University, we shall immediately stop any behavior that infringes on the intellectual property rights or other legitimate rights and interests of others, or any behavior that is unfair competition. National Chi Nan University may also take any appropriate measures to maintain the overall reputation and immediately terminate the contract. No one has any objection.

Sincerely

National Chi Nan University
